TERMS & ACCEPTANCE

EST-2026-001

Estimate Date: Sep 18, 2026

TERMS & CONDITIONS

Pricing assumes existing circuits and accessible wiring are suitable for installation. Additional wiring, circuit additions, panel work, drywall repair, blocking/framing, or repairs to existing conditions will be billed as additional work.

EXCLUSIONS

GENERAL EXCLUSIONS:

Permits, engineering, utility fees, concealed conditions, owner-supplied items, drywall/plaster/paint repairs, finish work, structural modifications, framing or blocking, asbestos or hazardous-material remediation, correction of pre-existing code violations, and work outside the specifically described scope are excluded unless expressly stated otherwise.

Existing Conditions: Contractor is not responsible for pre-existing deficiencies, defective equipment, inaccessible wiring, damaged wiring, improperly installed electrical boxes, or other conditions concealed within walls, ceilings, floors, or other inaccessible areas.

Additional Work: Conditions requiring work beyond the scope of this estimate will be documented and presented to the customer for approval before proceeding whenever reasonably practical.

CUSTOMER ACCEPTANCE

By signing below, the customer authorizes Nolan Electric Inc to perform the work described in this estimate for the total amount shown, subject to the terms and exclusions stated above. Changes to the scope may require a written change order.
